

NEW PERMIT FEE SCHEDULE NOV. 1

Combined fee for residential permits...

The permit fees for residential detached construction (new/additions) have been consolidated into one fee: **\$0.48/sq. ft. under roof**. This fee includes all permits needed.

Simple Permit Fee \$50

Residential and Commercial permits that do not require plan review and are limited in scope (not adding square footage). A Technology fee of \$10 applies to this permit.

One Trip Permitting for Non-Residential/Multi- family Residential Permits

All project permits included with one fee based on valuation. All needed inspections included, even Electrical!

* - Additional fees may apply to each permit, including a technology fee. Check fee schedule for details.
